Arham Topiwala

has successfully completed the online Specialization

Search Engine Optimization (SEO)

Designed and taught by industry-leading professionals, the SEO Specialization provides you with modern real-world experiences, knowledge and skills needed to optimize websites for search engines. You'll learn the key theories on how search engine optimization works and then practice and apply essential, hands-on SEO skills, such as:

- On-page and off-page optimization
- Optimizing search for local and international audiences
- Aligning SEO with overall business strategies
- Performing intelligent keyword search
- Conducting a full website audit
- Developing great content
- Making recommendations to improve optimization

The Specialization culminates in an integrative Capstone Project in which you will conduct and lead a comprehensive SEO consulting project.
